BUILDING BLOCKS FOR THE FUTURE

What did we receive from Piedmont? We arranged our building blocks with which we expect to be able to face the future with a keen eye and with confidence.

Our lives were built on the sound foundation of religion, guidance, and knowledge. We mixed activities and recreation with these solid factors, so that now we are more than adequately equipped to go our separate ways into the various paths of the future.

BUT NOW LET US PAUSE

To Say That . . .

If this book, through its pictures and script, brings to you, readers, a glimpse of our school life; if it recalls to you, Seniors, pleasant memories of the yesterday—of comrades and of happy hours passed at PIEDMONT COLLEGE—then we shall know that it has served its purpose well.

DEDICATION . . .

In loving devotion for the loyal and depend-

able service that he has rendered to Piedmont

College students, we dedicate this, the 1952

Yonahian, to Dr. Homer W. Stevens, as he

completes his thirtieth year of teaching here.

ADMINISTRATION . . .

Here is a book called **The Yonahian**. Since one is published every year it is called an "annual." To some it might be just another book. To you, however, who have given some of your best years to Piedmont, who have played and worked and worshiped here in the midst of friends, to you it is more than a book. It is to you a treasure store of memories. The record of gain and loss, of sorrow and joy, of growth, of fun and of achievement is written here. As the years come and go may you often turn to these pages, and may you have ever an increasing happiness from the memories they arouse.

At the beginning of the school term of 1922-23, as a result of a long felt and growing need of young ladies of Piedmont College, the Theta Zeta Phi was organized.

When the name Theta Zeta Phi is mentioned, there is an instant feeling of pride in the heart of every member and they think of the ideals for which we stand—Love, Idealism, Friendship.

MOTTO

Knowledge Is Power.

The Protropion Literary Society has contributed much in the past 55 years to the formation of noble character and high ideals among the young men who have sought training at Piedmont.

The elements of brotherly love, sympathy, and co-operation of the society bind men together so that each individual may lend to the entire group the qualities of strength and talent which he possesses, and may in turn receive the help, inspiration and protection of the whole organization.

This year a hope of many students and faculty members has become a reality with the organization of Piedmont's first Men's Glee Club. Throughout the year several enjoyable performances were given, our debut being the Thanksgiving Banquet. The year was climaxed with "The Testament of Freedom" at Commencement, along with "The Red Mill."

The purpose of this organization has been to create an appreciation of men's singing for ourselves and the public, to promote better relations among the men on the campus, and to bring to the students and public an interpretation of music through the medium of men's voices.

A C K N O W L E D G E M E N T

The 1952 Yonohion is yours now. We, the members of the staff, have tried to make it a worthy successor to those books that have preceded it. We hope you will enjoy it.

The work of editing has been none too easy, but it would have been many times harder—in fact, impossible—if it had not been for the aid and cooperation given us.

To the following who have helped in the preparation of our book, we wish to express our appreciation:

Mr. Long, of Bowen, Long and Young, Inc., and the members of Photo Process Engraving Co. for their artistic designing and printing of the book.

Duke Riner of Hewett Studio, Atlanta, Ga., for his excellent photographic work.

Mr. Lemjokov for his kindness in letting us have some of his pictures.

Mr. Droke, our sponsor, for his supervision.

The faculty and students of Piedmont College for their help in supporting the book.

Our advertisers, who have shown in a most substantial way their confidence in our undertaking.

Mrs. Botson, college treasurer, for handling our finances.

Moys Potts, a friend indeed, for the many times we have used his car.
